PO Box 10156
San Bernardino, CA 92423

Dear President Poston,

On behalf of the DAV Department of California, we send our sincerest gratitude for allowing us to benefit from the labor of your very successful donation drive. We greatly appreciate you choosing us as the beneficiaries of your generosity. We, and the injured and ill veterans who have benefited from your generous donations, are absolutely thankful for your contributions.

Donations such as yours—allow us to fulfill our promises to the men and women who served our nation. Because of your selfless service we are able to help veterans from all eras—improve their living situations by not just providing donated items, but also through accessing available government benefits, funding rehabilitation and counseling programs, linking veterans to job training programs, representing the voices of ill and injured veterans before Congress, and working to address the pandemic of veteran homelessness. Thanks to kind donors like your team in San Bernardino County, all DAV services are free.

Thank you again for being our heroes who make moves which make an impact on California's heroes!

Sincerely,

Daniel Contreras, PSC
CEO/Adjutant
